His good sense of judgment and his work match the clients' needs. His talent supplements his cheerful attitude and his "joie de vivre". Looking forward to working with you again Sébastien."

GAËL MARTHOURET

"We worked together for a year as art directors at Uniteam. I have great memories of this partnership with Sébastien, of his enthusiasm, his open-mindedness regarding graphic and technological innovations, of his proactivity, etc. He is in sync with his time both visually and creatively."

LOÏC BRIGNOU

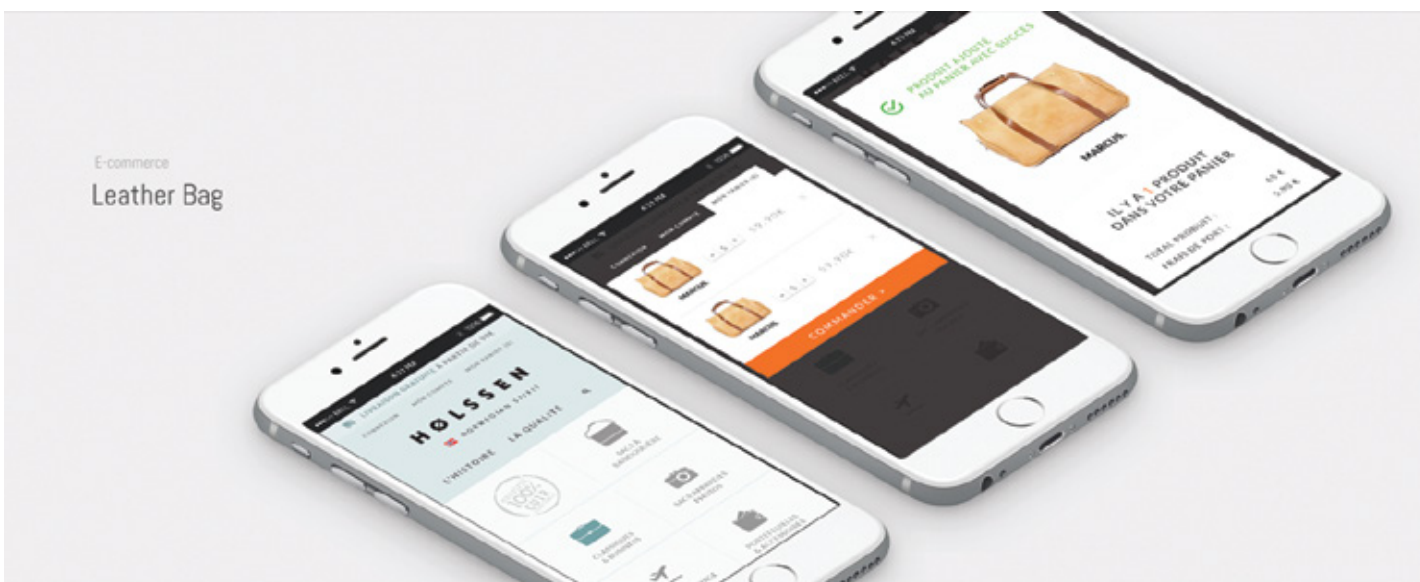

ACCOUNT CHEF

"I had the chance to work with Sébastien at Virus 1534. Sébastien is very efficient and very reliable. He has the ability to respond very quickly to numerous requests without impairing the quality of his designs and the originality of his creations. A very good team player, Sébastien managed to show his global vision of a marketing project, without limiting himself to the obligations related to creation but by taking into account factors pertaining to strategy, customer service and media efforts as well. His creativity, enthusiasm and his reliability make me recommend Sébastien without hesitation to any person who wishes to take on the services of a high-quality partner."
